

JEWISH WEDDINGS

Jewish Weddings at Heaton House Farm

Heaton House Farm welcomes couples from many different cultures and religions.

We understand that although we try to offer a simple and straightforward tariff for the venue, for some, additional requirements are needed.

Prices

[Please click here](#) to view the cost of the venue hire and what is included in our basic tariff.

We have listed below some additional items you may want to consider if you are looking to tailor our offering to suit your needs.

If you are looking to hold an Jewish wedding here at Heaton House Farm, please consider the following on the next couple of pages in addition to the above tariff.

Capacity

Our tariff above is for up to 200 guests, for every guest above this, there is an additional £15.00 charge per person on top of the standard tariff

Our maximum capacity is 350 guests

Catering

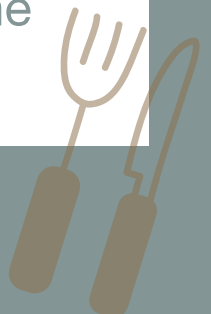

As standard, the vast majority of our weddings use our in-house caterers 'Stable Yard Catering'.

They are based full-time here at the venue and use our kitchens for storage and prep work as well as on event days themselves.

For some, Kosher catering is needed, and we want to try and provide this service as an option

If you do wish to use a Kosher caterer, we do have an additional charge of £1,000 including VAT to cover the cost of relocating our in-house caterers including the clearing and reinstating of all of their items, cleaning and management charges.

Please note, we will require a copy of your chosen caterer's public liability insurance and food hygiene certificates, without these, they will not be permitted to use our kitchens. It is also strongly advised that they come and do a site visit if they have not been to the venue before.

Drinks Service

We can have our bar open as a Kosher bar if you wish, we can advise on which products are available.

If you wish to have a drinks package, please contact us directly for our options. We provide drinks packages on a bespoke basis subject to your requirements.

Kosher wine can be provided.

All drinks must be provided by Stable Yard Catering at Heaton House Farm (unless pre-agreed the Stable Yard Catering team will be responsible for serving your drinks)

— Other Considerations —

- Our tariff includes our wooden dance floor in the Wedding Barn along with a selection of disco lighting. Should you decide to use Steele's Barn for dancing, you will need to hire a dance floor and additional lighting as this area is not equipped for an evening disco.
- We include a stage for a band or DJ under the night sky only for your evening reception. If you require an additional stage, you will need to hire this at an additional charge. Charges will depend on your requirements.
- We do not include a Chuppah for your ceremony and so you will need to hire this, either from us or an external company.
- You can view a list of our optional items including our white dance floor and staging etc by [clicking here](#).
