

HEATON HOUSE FARM

A WARM WELCOME TO HEATON HOUSE FARM FROM OUR FAMILY TO YOURS

Hello and a very warm welcome from all of us — Mick, Margaret, and Sarah!

We're absolutely delighted that you're considering Heaton House Farm for such a special moment in your lives. Our family has called this beautiful place home for generations and over the years, we've lovingly poured our hearts into creating somewhere truly magical.

A place where love stories begin and unforgettable memories are made.

Heaton House Farm has been in our family for seven generations. In 1999, we had the joy of hosting our very first wedding. Since then, we've never looked back — it's been an incredible journey of love, laughter and celebration.

While we've grown into an award-winning wedding venue, we're still very much a working farm. So don't be surprised if a friendly lamb pops over to greet you, or you catch sight of Mick and Sarah caring for the animals, or Margaret gently mapping out where the ground-nesting birds are, so we can keep nature safe and thriving. It's those little touches that make our home so special.

We've transformed the farm with couples in mind, making sure every corner offers something unique. While keeping the warmth, charm and authenticity that reflect who we are. Most of all, we care deeply about making sure your day feels personal, meaningful and entirely yours.

When you celebrate with us, you're not just booking a venue — you're becoming part of the Heaton House family. Our wonderful team will be by your side every step of the way to help bring your vision to life, with care, dedication and a genuine love for what we do.

We truly can't wait to welcome you to our home and to play a part in your beautiful love story.

With all our love,

Mick, Margaret & Sarah
