

JEWISH WEDDINGS

JEWISH WEDDINGS AT HEATON HOUSE FARM

HEATON HOUSE FARM WARMLY WELCOMES
COUPLES FROM ALL CULTURES AND FAITHS

We understand that while our venue pricing is designed to be clear and straightforward, some weddings may have additional requirements to honour specific traditions and customs.

We're happy to work with you to
accommodate these needs and help create a
truly magical celebration.

"All I can say is PERFECT. From start to finish, the team were beyond perfect. They went above and beyond to ensure everything was planned prior to the day, and on the day itself they made sure everything ran smoothly and that me and my partner were always ok. The venue itself is stunning, and you won't have to worry about a thing when you're in their care. Beautiful in every single way. Thank you for everything!"

Natasha & Oliver

PRICES

[Please click here](#) and then select 'Venue Hire' to view our current pricing and what is included.

In the pages below, we have outlined some additional options you may wish to consider if you are looking to personalise your Jewish wedding with us.

CAPACITY

The venue hire is for up to 150 guests, for every guest above this, there is an additional £15.00 charge per person on top of the standard tariff

Our maximum capacity is 350 guests

*"Our day really was just unbelievable. Thank you all so much again
for everything you guys did. We wish we could do it all over again"*
Eden & Lewis

CATERING

The vast majority of weddings at Heaton House Farm are catered by our trusted in-house caterers, Stable Yard Catering.

They are based full-time here at the venue, using our kitchen for storage, preparation, and service on event days.

However, we understand that Kosher catering is essential for some weddings, and we are committed to supporting this requirement where possible.

If you choose to bring in a Kosher caterer, please note that an additional fee of £1,000 (inc VAT) will apply. This covers the relocation of our in-house catering team, the removal and reinstatement of their equipment, deep cleaning of the kitchen, and associated management costs.

Table linen and napkins for the wedding breakfast will be provided by your chosen caterer. Please ensure these arrangements are coordinated directly with them prior to your event.

To ensure safety and compliance, we will require a copy of your caterer's public liability insurance & their food hygiene certification. Without these documents, your chosen caterer will not be permitted to use our kitchen facilities.

We also strongly recommend that they arrange a site visit in advance if they have not worked at our venue before.

DRINKS SERVICE

We are happy to offer a Kosher bar upon request and can advise you on suitable products that are available.

If you would like to include a drinks package, please contact us directly to discuss the options. Our packages are tailored on a bespoke basis to suit your individual requirements - Kosher wine can be arranged as a part of this.

Please note: all drinks must be provided by Stable Yard Catering at Heaton House Farm. unless previously agreed otherwise, their team will also be responsible for serving all beverages throughout your event.

OTHER CONSIDERATIONS

Our tariff includes our wooden dance floor in the Wedding Barn, along with a selection of disco lighting. Should you decide to use Steele's Dining Barn for dancing, you will need to hire a dance floor and additional lighting as this area is not equipped for an evening disco.

We include a stage for a Band or DJ under the Night Sky area only for your evening reception. If you require an additional stage, you will need to hire this at an extra charge. Charges will depend on your requirements.

Please be aware that a Chuppah is not included in the venue hire. You are welcome to hire one from us or an external supplier.

To explore a full list of our optional items - including our white dance floor, staging and more you can [click here](#).

"A massive thank you for all of you at Heaton House Farm. You really are a wonderful team and there is no doubt you gave everything to make Karen & Martin's day so memorable. You have left us all with the most fantastic memories so thank you all again."
