

ASIAN WEDDINGS

Asian Weddings at Heaton House Farm

Heaton House Farm welcomes couples from many different cultures and religions.

We understand that although we try to offer a simple and straightforward tariff for the venue, for some, additional requirements are needed.

Prices

[Please click here](#) to view the cost of the venue hire and what is included in our venue hire.

We have listed below some additional items you may want to consider if you are looking to tailor our offering to suit your needs.

Capacity

Our tariff above is for up to 150 guests, for every guest above this, there is an additional £15.00 charge per person on top of the standard tariff.

Our maximum capacity is 350 guests.

Catering

As standard, the vast majority of our weddings use our in-house caterers 'Stable Yard Catering'.

They are based full-time here at the venue and use our kitchens for storage and prep work as well as on event days themselves.

For some, a more authentic Asian catering experience is needed and we want to try and provide this service as an option.

If you wish to use the below caterers, we do have an additional charge of £1,000, including VAT, to cover the cost of relocating our in-house caterers, including the clearing and reinstating of all of their items, cleaning and management charges.

Table linen and napkins for the wedding breakfast will be provided by your chosen caterer. Please ensure these arrangements are coordinated directly with them prior to your event.

Please note, Seven Seas Catering, MyLahore & Mango Kitchen are the ONLY external caterers that you are permitted to use

Drinks Service

If you are not serving any alcohol at your wedding, you are permitted to use the above caterers for all soft drinks as well as the catering.

If this option is required, our onsite bar will be curtained off and not in use.

The caterers must provide everything for the drinks service including staff, glassware and ice etc.

If you are wanting to provide a mix of alcoholic and non-alcoholic beverages for your guests, all drinks (including non-alcoholic) are required to come through Heaton House.

We do not allow you to mix between caterer's drinks and our drinks.

— Other Considerations —

Multiple Ceremonies

An additional £300 fee applies where more than one ceremony is held on the same day. This covers the additional staffing, preparation and turnaround required between ceremonies.

Dance Floor & Lighting

Our tariff includes the wooden dance floor in the Wedding Barn and a selection of disco lighting. If dancing takes place in Steele's Barn, a dance floor and additional lighting must be hired separately.

Stage Hire

A stage for your band or DJ is included for your evening reception under the night sky. Additional staging can be arranged at an extra charge, depending on your requirements.

Pamper Room

The Pamper Room is available from 9am until your first ceremony. If required for a second outfit change and/or hair and make-up, use until 6pm is available for £250.

Optional Extras

View our full range of optional extras, including white dance floors and additional staging, [here](#).

Hindu Ceremonies

A ceremonial fire for symbolic Hindu ceremonies can be accommodated within the venue. Please discuss your requirements with our team in advance.
